

Innovative Approaches

ICT

The province of South Cotabato maintains an up to date website. All information and updates pertaining to the province's various activities currently being undertaken together with other development initiatives are ready for access worldwide.

To know of what is in store for our investors and tourists, log on to South Cotabato's official website www.southcotabato.gov.ph and be surprised of what South Cotabato can offer.

Trade Fair and Exhibit

South Cotabato has become a major venue for trade fairs and exhibits in the Region. Activities such as these are great opportunities to entice investors and tourists to settle in this land of bounty. Trade Fairs and exhibits have also brought our local products in the international market.

Yearly, three (3) major festivals are conducted which highlight products made through local initiatives and creativity while being enhanced with a global perspective. These are the Tnalak Festival, Kawayan Festival and the December Fest. Simultaneously, technology trainings and workshops are also held in coordination with the Department of Trade and Industry (DTI), Department of Science and Technology (DOST), Technical Education and Skills Development Authority (TESDA), and the Department of Labor and Employment (DOLE).

Radio Program

In order to get informed of the various MSMEs of the province, tune in to Radio Bombo every Sunday from 11:00 AM to 12:00 NN. This regular program aims to promote the many potentials of the province as investment haven down South. MSMEs will share the many opportunities they have experienced and received as they invested in this land called, South Cotabato. This program started in January 2007 and is going on until now.

Trade Mission

To get more insights and updates in the world of business and investments, the province continues to send delegates to various activities such as Mindanao Business Conference and other related events. The province continues to back-up the local MSMEs to reach wider markets by extending great support through participation in the various trades and tourism congress not just in the region but at the national level as well.

Pasalubong Mobile

This is a joint project of the province of South Cotabato, Department of Trade and Industry Provincial Office and the Producers-Processors Alliance of South Cotabato. Pasalubong Mobile is specifically designed multicab which serves as pasalubong counter display and selling counter for South Cotabato products that will be promoted in strategic places and activities in the province and whole area of Mindanao.
